When reviewing your application, the City of New Rochelle must project the income that will be earned for the upcoming 12-month period; this is done by calculating your pay using your current pay stubs, a letter from your employer verifying your salary, or an Employment Verification Request.**

5. **HOME BUYER CONTRIBUTION:** The applicant is required to contribute, from their own funds, up to one (1) percent of the home’s purchase price towards the down payment.
6. **PROPERTY VALUE LIMIT (Based on the HOME and Housing Trust Fund Homeownership Sales Price Limits - FY 2022):** The maximum appraised value of a single-family residence to be purchased within the City of New Rochelle cannot exceed \$556,000 for existing housing and \$556,000 for new construction.
7. **TYPES OF ELIGIBLE HOUSING:** Pre-existing or newly constructed single-family residences located within the City of New Rochelle must be occupied as a principal residence, including single-family houses, condominiums, cooperative apartments (co-ops).
8. **Mortgage Counseling and Homebuyer Education Requirements:** Applicants must have adequate financial resources and credit to qualify for a mortgage. In order to help you with the home buying process, *it is required* that all applicants obtain one-on-one/in person mortgage counseling. Some of these housing agencies are listed below. There may be a fee for counseling services. These organizations have a great deal of knowledge in this field and can advise you on many aspects of purchasing a home and securing a mortgage. Even though it is the responsibility of the applicant to secure a mortgage, some of these housing agencies can refer you to banks that offer first-time homebuyer mortgage products. They can also assist you with clearing up any credit problems you might have. Therefore, you are advised to schedule an appointment as soon as possible. All applicants are required to provide a mortgage counseling certificate with their application as proof that the counseling was completed. Please click on the link for a full list of HUD certified not-for-profit mortgage counseling agencies in New York, to find a class near you. <https://apps.hud.gov/offices/hsg/sfh/hcc/hcs.cfm>
9. **PURCHASER CERTIFICATE:** Purchaser Certificates will be issued to eligible applicants in the order in which the applications are received by the City of New Rochelle. **Program funds are limited.** This Purchase Certificate, issued by the City of New Rochelle, represents a sum of up to 19% toward the down payment of the Grant Recipient’s purchase of an owner-occupied single-family residence.

Applicants will be notified when all available Purchaser Certificates have been issued and a waiting list has been established. Eligible applicants who are issued Purchaser Certificates will have 90 days from the date the Certificate is issued to submit a fully executed Contract of Sale to the City of New Rochelle. Failure to return a fully executed Contract of Sale by that date shall result in the automatic nullification of the Purchaser Certificate. As Purchaser Certificates are nullified, new Certificates will be offered to eligible applicants on the waiting list in order. If the purchase is for **new construction**, the applicant will have 300 days to close on the subject property the City of New Rochelle recommends that your attorney or representative include a clause in your contract that nullifies it in the event that you are found to be ineligible for the First-Time Home Buyer Down Payment Assistance Program.

All applications are subject to underwriting as part of City of New Rochelle’s review process. Underwriting calculations will be done using information from the bank’s mortgage application. Ratios must fit within the City of New Rochelle parameters. Housing Debt to Income, Total Debt to Income and Mortgage Amount to Appraised Value.

Ratios	Parameters
Front End Ratio: DTI (Housing Debt to Income)	38%
Back End Ratio: TDTI (Total Debt to Income)	45%
Loan to Value: LTV (Mtg amt to Appraised Value)	80%

10. **HOUSING QUALITY STANDARD INSPECTION:** The City of New Rochelle requires that the residential property to be

purchased **must** pass a Housing Quality Standards (HQS) Inspection before receiving HOME funds. This inspection is provided by the City of New Rochelle and is solely for the purpose of ensuring that the home is in decent, safe and sanitary condition in accordance with HUD regulations. The inspection will be ordered by the City of New Rochelle upon receiving a mortgage commitment. Without exception, this program will not fund homes that **fail** the HQS Inspection. The City of New Rochelle is not responsible to any person, party, entity, applicant, buyer, seller, etc., for the loss of any deposit and/or down payment on a home which has not passed the HQS Inspection. This inspection does not take the place of a home inspection ordered by the purchaser. Homes that fail initial and secondary inspection **will not be funded**.

In order to receive the assistance, eligible applicants will be required to sign a Note & Mortgage to secure the terms of the grant. Please note those applicants purchasing a co-op will be required to sign a Note & Security Agreement and the City of New Rochelle will file a UCC-1 statement in order to secure the grant assistance. Before submission, please make sure your application and all accompanying documentation is complete and accurate. Once received by the City of New Rochelle, any changes to your application could place your application at risk of being moved to the end of the application list.

12. **RESTRICTIONS:**
- a. When searching for a home, the subject property that is to be purchased cannot displace an existing tenant. The house must be vacant, occupied by the owner, or occupied by the purchaser as a tenant. Both the purchaser and seller will be required to sign a "PRE-CONTRACT AGREEMENT" in order to verify that this restriction is not being violated. This document **will be sent to you when the Purchaser Certificate is issued**.
  - b. The applicant must not have entered into a Contract of Sale to purchase the subject property prior to being approved for the City of New Rochelle Down Payment Assistance Program and issued a Purchaser Certificate from the City of New Rochelle.
  - c. All houses constructed prior to 1978 must pass a Visual Inspection for the presence of lead-based paint. This report must be completed by an EPA-Certified Lead Based Paint Inspector. Houses built after 1978 are exempt from this requirement and applicants must submit proof of this fact.
  - d. Private mortgages are not allowed. Mortgages must be through a licensed and recognized lending institution.
  - e. No Short Sales allowed. No foreclosures allowed.
  - f. No Bank Owned Properties are allowed.
  - g. No Cash-out at closing allowed.
  - h. Non-occupying co-borrowers/co-signers/guarantors are not permitted.
  - i. 100% financing is Not Permitted.
  - j. Interest Only Mortgages and Adjustable Rate Mortgages are Not Permitted.
  - k. "No Doc" Loans or No Income Check Loans are Not Allowed.
  - l. 80/20 Loans are Not Allowed.

13. **CLOSING:** The funds will be provided to the applicant by City of New Rochelle at the closing. A representative of the

City of New Rochelle Department of Development or its designee will attend the closing and will provide a City-issued check.

The Down Payment Assistance is a zero-interest deferred payment loan that will be forgiven at the end of the five-year term as long as the homeowner does not sell, transfer, lease/rent, deed or convey all or part of the property or any interest within five years from the date of closing.

Recipients will be required to verify that they are still living in the funded property for the five-year term of the Note & Mortgage.

14. **ANNUAL RE-CERTIFICATION:** All eligible applicants who receive the down payment assistance will be required to live in the subject property as their principal residence for a period of five (5) years beginning on the closing date. The City of New Rochelle Department of Development or its designee reserves the right to perform an in-person inspection of the home during each year the house is within the affordability period (5 years).

A monitoring affidavit will be mailed annually to the grant recipient in order to verify in writing that the subject property is being maintained and in compliance with the following guidelines:

- Grant recipients are the current owners of the subject property.
- The subject property is currently occupied as the grant recipient’s primary residence.
- The subject property is properly insured and maintained in agreement with the terms of the Note and Mortgage or the Note & Security Agreement.
- No interest in the subject property has been sold, leased/rented or transferred, deeded or conveyed. There is a required five (5) year affordability period for the program, after which the Note & Mortgage will be forgiven and no repayment is required. Upon completion of the five (5) year affordability period the homeowner will be issued a “Satisfaction of Mortgage” from the City of New Rochelle. Please note that the homeowner will be responsible for all fees associated with filing the Satisfaction of Mortgage.

If the grant recipient sells, transfers, leases/rents, deeds or conveys all or part of the property or any interest within five years from the date of closing, or the residence goes into foreclosure, the note is in default. In the event of default, the amount of down payment assistance to be recaptured will be calculated by reducing the original grant amount by 20% for each year completed of the five-year affordability period with the period beginning on the date of closing. The grant amount remaining will be recaptured at the closing of the sale or transfer of the property.

The following chart assumes an original subsidy of \$14,000 as an example:

Amount to be Recaptured:	Percentage to be Recaptured	Occupancy Period of from the Date of Closing:
\$14,000	100%	Up to 12 months
\$11,200	80%	13 months to 24 months
\$8,400	60%	25 months to 36 months
\$5,600	40%	37 months to 48 months
\$2,800	20%	49 months to 60 months
\$ 0	0%	At the end of 60 months

If the grant recipient is found to be in violation of the restrictions of the 5-year affordability, the City of New Rochelle will require repayment of the amount to be recaptured of the Down Payment Assistance grant.

Upon sale or transfer of the property, title transfer, or death of the qualifying person, repayment of the existing grant amount will be required in accordance with the Note. Additionally, if at any time that this Note and Mortgage is in effect, the grant recipient fails to occupy the Property as his/her principal residence, a default fee of \$5,000 will be added to the Recapture Obligation.
